

GUMPTION ON THE FARM.

I bought a pretty cottage
On the outskirts of the town,
Then was afraid a wind would come
And blow my cottage down.
Nor North wind, nor East wind,
Such a scurvy trick would play;
But up there came a mortgage wind
And swept my house away.

MISS FLORENCE WADSWORTH

Her Beautiful Voice Greatly Admired in the Musical World

The many friends of Miss Florence Pearce Wadsworth, the talented daughter of the late Hon. W. H. Wadsworth of this city, will be glad to learn that her beautiful voice is being greatly appreciated in the musical world at Los Angeles, Cal., where the Wadsworth family is now residing.

Several days ago Miss Wadsworth gave an informal recital with Madame Ellen Beach Yaw at her beautiful California home. Madame Yaw thinks Miss Wadsworth's career will be a great one and pronounces her voice very beautiful.

The foremost teacher of voice in Los Angeles, M. Poulin, a Frenchman, who stands at the top of the musical world in California, after hearing Miss Wadsworth sing, said—"Miss Wadsworth has the most beautiful quality of voice I have ever heard in a throat."

With the encouragement of the musical critics Miss Wadsworth has been receiving she is fast getting at the head of her profession and the beautiful quality of her voice is recognized wherever she has sung. Madame Yaw is urging her to go into opera on the coast, and friends will yet hear of the "Girl from Maysville" winning fame in exclusive musical circles.

UNKNOWN DEAD MAN

Found Under C. and O. Viaduct at Foot of Market Street—His Death a Mystery

Last evening about 5 o'clock two young men, Messrs. Farley and Warren of Aberdeen, saw a man, as they thought, lying asleep under the viaduct as they passed up town.

On their return going home they were surprised to find the supposed drunken sleeper still there. On investigation it was found that the man was dead. Young Farley returned to Coughlin's stable and informed Mr. Thomas Higgins, who likewise informed the Coroner.

The man's neck is broken and he has an injured wrist and his hip is bruised. The Coroner held an inquest last night, but failed to render a verdict as to the identity of the man or how he met his death, and will endeavor to solve the mystery today.

He might have been struck by a railroad train, and again it is possible it might be a murder.

The body was taken to the undertaking establishment of Coughlin & Co., and will be properly cared for. A pint of whisky, 50c in money and a sale bill from Concord, Ky., were found on his person. He is supposed to be about 35 years old.

Later.—This morning the body was identified as that of a man named Frye from Trinity, Lewis county.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Stops Lameness

Much of the chronic lameness in horses is due to neglect.

See that your horse is not allowed to go lame. Keep Sloan's Liniment on hand and apply at the first sign of stiffness. It's wonderfully penetrating—goes right to the spot—relieves the soreness—limbers up the joints and makes the muscles elastic and pliant.

Here's the Proof.

Mr. G. T. Roberts of Resaca, Ga., R.F.D. No. 1, Box 43, writes:—"I have used your Liniment on a horse for sweeney and effected a thorough cure. I also removed a spavin on a mule. This spavin was as large as a guinea egg. In my estimation the best remedy for lameness and soreness is

Sloan's Liniment

Mr. H. M. Gibbs of Lawrence, Kans., R.F.D. No. 1, writes:—"Your Liniment is the best that I have ever used. I had a mare with an abscess on her neck and one of Sloan's Liniment entirely cured her. I kept it around all the time for galls and small swellings and for everything about the stock."

Sloan's Liniment will kill a spavin, curb or splint, reduce wind puffs and swollen joints, and is a sure and speedy remedy for fistula, sweeney, founder and thrush.

OPEN FOR TRAVEL

C. and O.'s Double Track East of Huntington Now Ready

Simultaneous with the inauguration of improved passenger service on the Chesapeake and Ohio Railway next Sunday will come the opening of the double track from Huntington East. The work of preparing this track has been in progress with more or less regularity since 1905. In July, 1907, it was stopped on account of the condition of the money market, but was resumed in 1908.

Double track has been in use between Huntington and Russell for a number of years, and the completion of the section between Huntington and Charleston will give the C. and O. system the benefit of two tracks over a section of road which extends, with a few slight exceptions, from Clifton Forge, Va., to Russell, Ky. This will cover the New River, Guyan Valley and Big Sandy coal fields and double the facility for moving trains through that section.

It is said to be the intention of the officials of the Company, under the new management, to extend the double track work to include the Cincinnati Division, thus giving the system the benefit of two tracks over all the main central part of the road.

Oh, you Fifth Ward! Six hours and fifteen minutes counting up a few hundred votes. The election returns came in slowly and it was way in the night before the winners were lassoed and branded. It was a red-hot election and the battle for Mayor of Maysville between John Wesley Lee, the winner, and Thomas Milton Russell and George Washington Crowell was a scrimmage, as far as the two former candidates were concerned, that would have done honor to Breckinridge county or some of Louisville's or Lexington's "bloody" wards. The bum's boozed and the floaters floated in a sea of liquor, while the cash flowed like a rolling river and there was money to throw at the birds.

The contest between Lee and Russell was the crux of the whole matter and the fine politics played and the wire pulling would have done credit to Dick Croker or George B. Cox. It was too big to describe, and Harry Ort's victory over Short and Bradford for re-election as Chief of Police was a finish winning that surprised the city.

Following are the newly elected officials of the City of Maysville:
Mayor—J. W. Lee.
Police Judge—John L. Whitaker.
Chief of Police—Harry A. Ort.
City Clerk—William J. Kirwin.
Assessor—W. H. Daugherty.
Collector and Treasurer—J. W. Fitzgerald.

While party lines were not drawn, and a Democrat was as good as a Republican as long as he was sober and obeyed the law (?) still there were but two Republicans elected in the city and none in the county election.

The Republicans had no city or county organization, and while the Repubs had 30 cents of a campaign fund, the Democrats had \$2,200; besides, the county officials and their henchmen worked like beavers and had the county and city precincts perfectly organized, with a dozen hustlers around every poll. Therefore, the result is not strange.

Harry A. Ort, Chief of Police, and Councilman Greenlee were the only Republicans in the city to win.

The Hon. John Wesley Lee, the Mayor elect of Maysville, was born in Fleming county 54 years ago and has been one of our city's leading business men for the past 37 years. He is one of Kentucky's most distinguished citizens, looks the part and is a descendant of the Old Dominion Lees. Ain't that enough?

Judge Whitaker, Police Judge, will now enter upon his third term, and by his decisive majority shows that the voters endorse his judicial career.

William J. Kirwin, City Clerk-elect, is a splendid young gentleman of pleasing address and well-qualified to the position.

James W. Fitzgerald was re-elected Collector and Treasurer without opposition and W. M. Daugherty was re-elected City Assessor after a warm contest over Bierley and Haucke.

For Mayor, Lee carried the First, Third, Fifth and Sixth Wards. Russell carried Second and Fourth.

JUDGE FOR YOURSELF

Which is Better—Try an Experiment or Profit by a Maysville Citizen's Experience.

Something new is an experiment. Must be proved to be as represented. The statement of a manufacturer is not convincing proof of merit. But the endorsement of friends is. Now supposing you had a bad back. A Lame, Weak or Aching one. Would you experiment on it? You will read of many so-called cures. Endorsed by strangers from far-away places. It's different when the endorsement comes from home.

Easy to prove local testimony. Home endorsement is the proof that backs every box of Doan's Kidney Pills.

Read this case:

J. M. Lloyd, farmer, R. F. D. No. 5, Maysville, Ky., says: "I am only too pleased to tell of my experience with Doan's Kidney Pills and hope that it will be the means of helping some other sufferers from kidney trouble in finding relief. About five years ago my kidneys suddenly became disordered and for several months I was bothered by constant, dull pains across my loins. When I stooped or lifted, sharp twinges shot through my body and caused the most intense suffering. I at length heard of Doan's Kidney Pills, procured a box at J. J. Wood & Son's Drugstore and began using them. They effected a complete cure, and since then I have no had backache or any other symptom of kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

ROYAL BLUE

For Laundry Use.

Is a very high grade of Bluing and specially prepared with the utmost care. Gives clothes a bright, fresh shade, with a beautiful luster. It does in no way streak the clothes, as these cheap, inferior grades do. Many of the finest laundries throughout the country use this Bluing daily with perfect satisfaction. You will like it. One ten cent powder, put into a quart of clear fresh water, will make you as much excellent Bluing, in liquid form, as you pay 50 cents for, and of a much better quality. You can make half a pint of excellent Blue Ink by dissolving the powder in half pint of water. Prepared by
